Email Version 2: Story-Driven

Subject Line: How I Turned My Sales Struggles into Miracles – You Can Too (Free Access Inside)

Hi [Recipient's Name],

Remember when sales felt like an uphill battle? I sure did – until I discovered Eric Lofholm's approach. Drawing from legends like Zig Ziglar and Brian Tracy, Eric's scripting mastery helped me close deals I thought were impossible. Now, he's built the Sales Miracles Community to share that wisdom with everyone – for free!

Picture this: Daily LIVE training to boost your morning energy, monthly events for deep dives into closing scripts, and a supportive group to master objections and stay accountable. It's not just training; it's a community that turns "no" into "yes" – as Tom Hopkins says, "Repeat anything often enough and it will start to become you."

I've seen affiliates and members (including myself) refine their playbooks and hit new revenue highs. No cost to join – just massive value.
