

Lesson 12 – Teamwork

Pat yourself on the back

Today is a great day!

Teamwork is a learned skill

When it isn't working, it is working. There is a learning curve to building a team.

The big idea is to combine teamwork with your definiteness of purpose and the other principles Napoleon Hill is teaching as well as other success principles

For my definiteness of purpose is requires teamwork

Why teamwork?

It is likely necessary for you to perform at your highest level

Man hours to make a dream happen

Leverage other people's brainpower and skillset

Organize a team

Hire people to work for you/with you

Join a team

Become an employee, contractor or volunteer of an existing team

Joining the hunger team

Examples of people you could have on your team:

Web person

Bookkeeper

Coach

Appointment Setter

Rick – trained his technicians to sell
